# Person-centered Retirement Living

Day Brook Village Senior Living is a continuing care retirement community set in a residential Holyoke neighborhood close to Interstate 91 and Holyoke Medical Center and adjacent to Anniversary Hill Park. Chartered in 1902, Day Brook Village has been caring for Holyoke area families at its current location since 1981, providing independent living, assistance in living and skilled nursing all on one campus.

## Independent Living

Enjoy the privacy of your own apartment home and live life on your terms, secure in the knowledge that any assistance and health care you may need is available within our campus of care. Our independent living community includes warm, inviting common spaces to gather with friends and family and a wide variety of activities to fill the day.

- Choice of a variety of apartment floor plans
- Flexible dining program
- Daily social, cultural, educational, fitness and recreational programming
- Weekly housekeeping and linen service
- Health and wellness programs

## Assistance in Living

At Day Brook Village, our friendly staff provides support with personal care and a helping hand, allowing each of our residents to enjoy the opportunities our lifestyle presents each day. Personal care assistance is tailored to meet individual needs for bathing, dressing, grooming, ambulation and medication reminders. We even take care of the little things that make a big difference, like making the bed every day and washing a load of personal laundry each week.

- Choice of a variety of apartment floor plans
- Three healthy, flavorful, chef-prepared meals each day
- Daily social, cultural, educational, fitness and recreational programming
- Weekly housekeeping, linen and laundry service
- Personal care assistance with activities of daily living
- 24-hour professional staff
- Health and wellness programs

## Skilled Nursing

Our residents and patients receive personalized, around-the-clock nursing care and supervision as needed, including assistance with activities of daily living, such as dressing, bathing, eating and getting around. Highly skilled care teams provide compassionate attention and specialized care to maximize patient recovery, comfort and independence to achieve the highest possible quality of life.

- 24-hour skilled nursing
- Short-term rehabilitation for recovery following surgery or critical health-related event
- Long-term care skilled nursing or custodial care with personalized attention
- Short-term respite stays
- Compassionate end-of-life care with hospice services provided by local care partners
- Rehabilitation professionals offering occupational, physical and speech therapies on-site seven days a week, as prescribed
- Nutritious dining program that features the flavor and comfort of home cooking and can accommodate specialized dietary needs
- Activities programming seven days a week to keep residents engaged, involved and encouraged
